

Interested in a summer job at a cutting edge research lab or biotech startup?

Apply to the NY Bioforce 2025 Summer Program

New York Bioforce is a hands-on research training and internship program for students graduating in 2025 or 2026 who are eager to explore careers in STEAM disciplines. Take this opportunity to learn about cutting-edge research, gain practical lab skills, and secure a paid internship at a leading research or healthcare institution. For inquiries email: hello@hypothekids.org

Dates: April 5 - August 15, 2025
Location: Columbia University
Application Deadline: February 20, 2025
(Acceptance decisions are made on a rolling basis)
